PROPERTY:

Finally we are settling on our new property 1 Fiskaal Street, CONVILLE. Please come and visit us and see what the Lord has done. We are in need of more facilities but waiting on all the permissions and MONEY!

How wonderful to see our trees growing that we transplanted. SHOUT OUT TO THE LIFE team. You did it!

We literally moved everything that belonged to LIFE.

YOUTH PROGRAMME

Many of our young people drop out of our programmes when they go to High School and it has been a challenge to cater for them at the Community Centres. The staff has embarked on a drive to reach out to the young people in our communities and have started a YOUTH programme on Saturdays from 11h00 to 15h00 catering specifically for their age group. Our vision is to bless them, to share Jesus with them, to

provide a space where they can enjoy fellowship and to expand on this programme in 2020. 40 youth came on our first Saturday, and it was interesting to see that the highlight for them was to be served lunch by the staff! One of our boys had never had Tomato Sauce before! We are eager to see this Youth Programme expand in 2020, and we will appreciate your prayers for wisdom, provision and volunteers as we go forward. INTERESTING FACT: What is one thing they would like to experience as a young person in the community? ANSWER: To learn to swim!! None of our young people can swim and we are keen to see this rectified in the new year.

Devote yourselves to prayer, being watchful and thankful Col 4:2

Family, Partners and Friends! **THE MIRACLE— JUNE TO SEPTEMBER!**

It is with joy that we report on your giving which assisted us in the amazing manner that we moved and set up the LIFE Village. The move was done by 31 August and the building-up continued till we managed to set up the school as well as the after school programme without missing any time.

At the moment we are faced with many challenges but the Lord is FAITHFUL and we will never forget what He has done for us.

My question to you: Are you wanting to be GENEROUS but want to sow into good soil? For Christmas, can you make it an early gift to the children we serve?

We need +- R300,000 (\$25,000) (£15,744) to complete the classrooms, store-rooms, fencing, and grounds around the classes. That means 50 sponsors at R6 000 or 50 at \$500 or 50 sponsors at £315. We need an additional R50,000 for desks and chairs

Please help us build the classrooms needed for next year:

You can sponsor a square metre at R3 529 or \$243 or £185 (this will take 85 people to do!) Please join us in the endeavour. Time is of the essence. We need to place the order by the first week in the December!

More exciting news: we are PBO registered in South Africa; have a 501C3 registration in the USA; have a Charity number for the UK for tax purposes.

LET'S BECOME A VILLAGE AND CONTINUE TO BUILD A SCHOOL!
